## RUSHING DREDGING

Work on the dredging being done by the Government engineers in the harbor is being rushed right along, and a good part of the enlarging now going on at the other side will be done by the time the Fleet is in port. The giant dredger is working night and day, and the made land, which is now growing into a very respectable island, is growing seaward at a great rate.

The work now in progress, under an appropriation of \$400,000, which is separate and distinct from that under which the dredging of the channel and the basin was done, is about one-fourth done, as about \$100,000 have been used up. The big dredger went to work in February on this job, and it is expected that the present contract will be finished by the end of this year or the first few months of 1909. A hard strip of soil, about 300 feet wide and 2,000 feet long, is being cut out, the former dredging of channel and harbor basin was all in soft ground, but this is quite different work.

## JAPS HAVE BALL LEAGUE

At 1:30 o'clock next Sunday afternoon the new Japanese Baseball League will open its season at Atkinson Park. The league was formed Saturday at the office of E. Mori-kuchi. Five baseball clubs were represented at the meeting. A constitution and by-laws were adopted Saturday, but a meeting will be held tomorrow evening at which the schedule will be arranged, and the league put in good working order. The prospect of the Kelo University team coming here has given a tremendous impetus to the interest in baseball among local Japanese, and the sons of Nippon are very enthusiastic over the organization.

Officers as elected Saturday were: K. Iida, president; T. Tomita, vice president; Kuramoto, secretary; and J. Mizuno, treasurer.

The men present at the meeting were: K. Iida, Agata Mori-kuchi and Abe, representing the Asahi Juniors; Mizuno and Moriji, of J. M. B. A.; Tomita and Sawai, of Kachio; Kuramoto, of Tokiwa; and Yamashiro and Mitsuda, representing Fuso.

Sam Chillingworth was not up to his usual form on Saturday, losing two very good chances at a very bad time.

## BIG BONDS FILED FOR JAP ESTATE

Bonds to the amount of \$25,000 were given this morning in the matter of the estate of T. Murakami, who died intestate on May 14 of this year, by K. Fujimura and H. Shimizu, who filed a petition to become administrators of the estate. The value of the estate is named at \$35,000 in all, \$10,000 being invested in a store on Hotel street, and the remaining \$25,000 being outstanding accounts. The wife and son of the deceased Japanese are now in Japan.

## NEW VENTURE

Another moving picture show has started up on Hotel street, opposite the Young hotel, under the name of the California theater. The latest films and slides will be shown and a unique feature advanced by the proprietors is the giving away of prizes each week to the person holding the lucky number. For instance, this week the first prize will be a handsome umbrella. This, of course, is without any extra charge to the patron. An admission of ten cents will be charged, and it is claimed by the management, the pictures and illustrated songs will equal any shown at the Opera House.
